EDCO Chisel Scalers use rapid, hammering action to quickly chisel away material. These air-powered units eliminate hammers, hand-chisels and many hours of labor. Many accessories are available to easily remove tile, grout, ice, fiberglass, concrete, asphalt, roofing shingles, hardened deposits, and much more.

### AIR-POWERED CHISEL SCALERS INCREASE PRODUCTION ON JOBS THAT WOULD ORDINARILY REQUIRE MANUAL SCRAPERS AND HAND LABOR!

- Extra-large Pistons provide hard hits
- Heavy-Duty steel and light-weight aluminum models available
- Ergonomic design lets operator stand comfortably eliminating backaches
- High-Strength tubular handle and soft foam hand grips provide comfort
- Quick-Change hardened steel tool Chuck assembly accepts multiple accessories
