Maximum initial battery voltage (measured without a workload) is 12, 20, and 60 volts. Nominal voltage is 10.8, 18, and 54. All amp hours (Ah) shown with 60V MAX products are measured in 20V MAX* mode.

Terms and Conditions: Must be age 18 or older and sign a Release form to participate in any DeWALT product demonstration(s). This is not a game of chance. Void where prohibited. Offer only available at the participating GAP Power retail location. Offer valid on purchases made on 7/9/2020 from 6:00 AM to 2:00 PM, while supplies last. All federal, state and local laws and regulations apply. Redemption items will be provided at the participating retail location at the time of purchase. Original invoices evidencing qualifying purchases must be provided. Offer valid only for product end users. No cash value. Amounts on flyer do not include taxes. Offer not valid with any other offer or promotion. DeWALT reserves the right to provide alternate redemption items of equal or greater value. GAP Power and DeWALT reserve the right to limit number of redemptions per customer and/or transaction. For multiple purchase promotions, products must be purchased in one transaction, on one receipt/invoice, not cumulative. Event and offer subject to change without notice.
